

FRANKO & VANA

CAPTAIN & STEWARDESS — COUPLE APPLICATION

A real team, on and off the water

FRANKO TUTA

CAPTAIN / SKIPPER

VANA KONČAN

JR. STEWARDESS / DECKHAND

We are **Franko (22) and Vana (21)**, a Croatian couple from Vis applying together for Captain & Stewardess positions on charter or private yachts. We have lived together for **over a year** and have been in a relationship even longer. We have already worked the same Croatian charter season side-by-side as crew on a **chase boat operation** — so we know exactly how we function as a working team under real conditions.

We love Croatia, but after several seasons here we're ready for a bigger horizon. **2026 is the year we make the move** — we want to grow inside the international yachting industry, work on real long-range yachts, learn from international captains, and build a long career on the water. Together.

WHY WE WORK AS A COUPLE

- ▶ **Proven working chemistry.** We've already done a full season together on a chase boat operation in Croatia — guest transfers, daily ops, long hours, hot weather, demanding clients. We know how to keep things smooth and professional even when the day is long.
- ▶ **Stable, long-term relationship.** Living together for over a year and together even longer. No drama, no breakup risk mid-season. We share the same goals (international yachting career), the same lifestyle (active, outdoors, sea-oriented), and we genuinely enjoy each other's company in tight spaces.
- ▶ **We understand the stress of season.** 14-hour days, back-to-back charters, demanding owners and guests — we've already lived it together in Croatia and supported each other through it. We arrive prepared, not naive.
- ▶ **Complementary skill sets.** Franko handles helm, navigation, mechanical and deck. Vana handles interior, service, hospitality and guest care. We joke that Franko is the *Yachtmaster* and Vana is the *Vibe-Master* — she always knows how to set the best atmosphere onboard, same as at home.
- ▶ **Hire one couple = two motivated crew.** Easier paperwork, one cabin, no compatibility risk between strangers on board, and a captain who genuinely cares that his stewardess is treated well — and vice versa.

*"We're not just two CVs — we're a working team that already knows how to handle a season together.
We're ready to bring that to your vessel."*

"Raised on the Adriatic, certified in the sky, comfortable underwater. Whatever the vessel needs, I've already trained for it."

FRANKO TUTA

CAPTAIN / SKIPPER / DECKHAND

SKILLED · RELIABLE · SEA-SMART

Young, capable skipper with three consecutive seasons of paid charter work for multiple operators in Croatia — hands-on with 20+ vessels from traditional wooden boats to modern 17m motor yachts, including precision tours into the Blue Cave on Biševo.

Strong mechanical and electrical background, certified diver and licensed private pilot. Open to any role, preferably Captain / Skipper, on vessels up to 24m, anywhere in the world. Available immediately.

🚢 **Applying as a couple with my partner Vana Končan — Captain & Stewardess positions on charter or private yachts.**

VESSELS OPERATED

Over 20 motor vessels operated across three seasons:

- ▶ Bénétteau Antares / Spacedeck 6.6m & 7.7m, Jeanneau Cap Camarat — cabin & walkaround motorboats
- ▶ Lomac 9.0, Marlin 790, Mercan 34, Enzo Vento HT30 — Italian RIBs and motor cruisers
- ▶ Colnago 38 sport cruiser • 17m traditional wooden vessel "Blaga" (heavy displacement, no thrusters) • Pasara 6m (private)

RELEVANT EXPERIENCE

SKIPPER — DAY CHARTERS & PRIVATE TOURS

2023 – 2026 | Charter agencies, private operators & freelance, Croatia

- ▶ Three consecutive seasons working for charter agencies, private boat owners, and as freelance skipper — quickly integrate into new crews and new vessels
- ▶ Safely operated paid charters with international guests across the Central Dalmatian islands (Vis, Biševo, Hvar, Pakleni, Brač, Korčula)
- ▶ Performed precision tours into the Blue Cave (Modra špilja) on Biševo — narrow, low-clearance sea cave entries with a traditional 6m pasara, often in conditions where larger tourist boats were unable to enter
- ▶ Full responsibility for navigation, mooring in busy summer marinas and remote anchorages, fuelling, and the guest experience
- ▶ On-the-water troubleshooting of engines and electrical systems when needed

BOAT SERVICE ASSISTANT — ACI MARINA SPLIT

2022 (age 17) & 2025 (returned) | Split, Croatia

- ▶ Assisted technicians with maintenance on motor yachts and sailboats in one of Croatia's leading marinas — hull, engines, antifouling, and general yard operations
- ▶ Direct exposure to professional yacht maintenance standards from age 17

RAFTING GUIDE & NIGHT EQUIPMENT DRIVER

June – September 2022 | Croatia

- ▶ Led international groups on whitewater rivers — group safety briefings, quick decision-making, guest-facing role with mixed-nationality clients
- ▶ Drove large delivery vehicle (7.5m × 2.5m × 4.5m, B-licence class) at night between stations — 17-hour working days for three consecutive months

PRIVATE BOAT OWNER & OPERATOR — PASARA 6m

Ongoing | Vis Island

- ▶ Owner of a traditional Dalmatian wooden boat — full responsibility for maintenance, woodwork, engine servicing and seasonal preparation

TECHNICAL SKILLS

- ▶ Outboard and inboard engine basics — service, fault diagnosis, on-water repairs (technical high school background)
- ▶ Marine electrical systems — wiring, batteries, fault-finding
- ▶ Navigation — GPS / chartplotter, route planning, weather interpretation
- ▶ VHF radio — practical operating experience
- ▶ Mediterranean stern-to mooring, anchoring with lines ashore, fiberglass and wooden-boat upkeep

EDUCATION

Technical High School — Mechanical Engineering & Mechatronics, Split (Croatia)

ADDITIONAL INFORMATION

- ✓ Physically fit, active lifestyle (kitesurfing, freediving, sailing, aviation) · Non-smoker · Calm under pressure
- ✓ A & B driving licenses · Available immediately · Open to long hours and seasonal contracts worldwide
